WORK EXPERIENCE

Fuvay Technologies Pvt, Ltd.
Full Stack Developer

MAY 2024 - PRESENT

- Built High-Performance Applications: Developed web applications using modern frameworks like Next.js, React.js, and Node.js, ensuring speed, scalability, and seamless functionality.
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Monitor brand consistency across marketing channels and materials.

Fuvay Technologies Pvt, Ltd.
Web Developer Apprenticeship

FEB 2024 - MAY 2024

- During my training period at Fuvay Technology, I gained hands-on experience in full-stack development, working with technologies such as Next.js, React.js, Node.js. I was involved in several projects, learning and applying best practices in building scalable web applications.

Omninos Solutions
Web Designing Internship

AUG 2023 - NOV 2023

- During my internship as a Web Design Intern, I gained valuable hands-on experience in web development. I worked with HTML, CSS, and JavaScript to build responsive and visually appealing web pages, focusing on both structure and design. I also gained an understanding of the core concepts of React.js. This experience helped me develop a solid foundation in front-end development and web design principles, setting the stage for my future endeavors as a Full Stack Developer.
